**[Docket No. RP96-330-001]**

**Florida Gas Transmission Company; Notice of Compliance Filing**

September 18, 1996.

Take notice that on September 13, 1996, Florida Gas Transmission Company (FGT) tendered for filing as

part of its FERC Gas Tariff, Third Revised Volume No. 1 the following tariff sheet to become effective September 2, 1996:

Substitute Third Revised Sheet No. 188A

FGT states that on August 2, 1996, FGT filed revised tariff sheets (August 2 Filing) that would permit FGT and its shippers to agree to negotiated rates pursuant to the Policy Statement issued by the Commission on January 31, 1996 in Docket No. RM95-6-000 (Policy Statement). Included in the proposed tariff revisions was a procedure to be used by FGT to evaluate competing bids for firm capacity which reflected different rate forms. In the August 30 Order, the Commission accepted the tariff sheets included in the August 2 Filing subject to FGT revising its methodology for evaluating competing bids to consider the present value of only the reservation charge or similar guaranteed revenue stream for the purpose of allocating capacity.

FGT states that it is making the instant filing in compliance with the Commission's August 30 Order.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with 18 CFR 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
